

Masconomet Alumni Association

Incorporated 2002

How many times have you heard the argument about giving up one cup of Starbucks per day for a month so that you can donate a like amount to your favorite charity or in this case, your very best favorite Alumni Association.

We don't do Starbucks in New England... for God's sake, the Red Sox don't even do Starbucks... This is Dunkin Donuts Country !!!!! So let's put this request in the proper format... we want you to consider that \$ buck-eighty-five \$ that you spend, almost every day, on your required Medium Hazelnut, Extra Cream, two Splendas eye-opener! If you would just give a like amount for 10 of those coffees (plus a generous tip)... we'd be in "Fat City". Just think of all the times that you've dug through the cushions of your couch or 'borrowed' your beloved child's milk money so that you could inhale that 'first of the day' DD brew! Well, we're here to help you fix all that !!!! Give the dough to us... then you won't be so conflicted!!!

For the record, we're still doing some pretty good things for the students and alumni of Masconomet. Last year we purchased three beautiful glass display cases that are being used to showcase student artwork in the lobby outside of the auditorium. (Check it out at www.mascoalumni.org). We also contracted Harris Connect to publish our first Alumni Directory which many of you purchased. The directory will be updated every five years so please keep in touch with us at mascoalumni.org. You can also find information on upcoming Alumni reunions and events as well as reunion photos on the Alumni web site.

In the recent past, your contributions have paid for:

- Granite benches located in front of the Middle School.
- \$11,000.00 towards the purchase of lights for Roberts Field.
- Computerized dolls for a Senior High Parenting course.
- Selected books and novels for the English Dept's after school book club.
- Two 'short' trips to Bermuda for the Directors... (just kidding!)

Please take a minute to send in your contribution of \$20 or more if you can. Use the form on the back to update your contact information. The Masco Alumni Association is a non-profit 501-c3 corporation and your donation is fully tax deductible. We appreciate your generosity!

Sincerely,

Paul Richardson
President
Masconomet Alumni Association

The mission of the Masconomet Alumni Association is to provide financial assistance to Masconomet Regional High School's programs that benefit both students and faculty and to assist with the physical plant as necessary to contribute to the growth, continuous improvement and excellence of the Masconomet educational family.
